

A photograph of two children swinging on a tire swing. The swing is made of a large black tire hanging from a yellow rope. The children are wearing blue overalls and a hat. The background is a lush green forest. The title text is overlaid on the top right of the image.

# The Land & Water Conservation Fund in Idaho

The following pages list LWCF stateside activity in Idaho since the first grant was awarded in 1965. More than 400 grants have been given, mostly to communities providing outdoor recreation opportunities for their citizens. Grant types include **Planning** (P) grants to the state to develop the Statewide Comprehensive Outdoor Recreation and Tourism Plan, **Acquisition** (A) grants for the acquisition of lands or interests in land, **Development** or **Redevelopment** (D or R) to enhance projects with new or rebuilt recreation facilities, or **Combination** (C) which includes both acquisition and site development.
